

IAIN AT HAPPY MEATS'

BIG MOZZI NET CHALLENGE

Dig Deep and send me your money to save 1000 lives

Every penny donated will go towards nets - nothing else

£20 WILL BUY 5 NETS

£100 WILL BUY 25 NETS

I am going to Uganda in February 08 with FOAG*, and I need your help to buy 1000 life saving insecticide-treated bed nets which I will give to the children's homes and hospitals I visit.

Send me a cheque now and be part of an African success story

In Africa one child dies of malaria every 30 seconds. In Uganda it is the biggest killer of children under 5 - **and it is all preventable!**

Bed nets are one of the most effective means of completely preventing malaria. Insecticide-treated bed nets provide a protective barrier around families, especially at night when malaria-carrying mosquitoes strike.

*FOAG supports 12 small but powerful Ugandan projects which range from nurse training, operations, physiotherapy and schooling for children plus agricultural development work. Find out more at www.foag.org and email info@foag.org to become a supporter.

Make your cheque out to 'FOAG' and send it to Iain Patton, Bank House, Stanford Bridge, WORCS, WR6 6RU. If you pay UK tax, please make sure you fill in the Gift Aid form below so we can buy even more nets.

Please treat the enclosed donation of £ _____ as a Gift Aid donation
